## **Sermon Programme September—December 2023**

This autumn, in the mornings we start with a series on the Ten Commandments, entitled 'Satnav for Life'. This is followed by a four week series looking at how the Bible guides us in our relationship with the earth, 'New Heaven & New Earth'. Through this we can engage with issues raised by environmental concerns - but do so in a way that is biblically-grounded. Then we look at the book of Daniel with a series called 'The University of Life'. The world is a place where we are all 'students' and God is discipling us.

In the evenings, we begin with a series on Ephesians, 'God's New Society', followed by a series looking at the kingship of Jesus in Matthew – 'Another Country, Another King'.
