Programme Card

September – December 2026

On Sunday mornings from September we will do **The Bible Course** – an eight-week guide to the whole Bible. The Bible is a rich text, covering thousands of years. But at its heart is the person of Jesus Christ, to whom every book in the Bible points. Each of us, whether we believe in God or no, has a 'Bible' – by which is meant a set of beliefs which act as our compass through life. But only the Bible, which Jesus himself valued so highly, can guide us to Christ and the abundant life he offers us.

After The Bible Course, as we approach Christmas, we'll look at **The Four Last Things** – heaven, hell, death and judgement. These weighty matters are traditionally considered by Christians at this time of year. And, whilst weighty, they are the gateway to the hope we have in the Christ who comes to us as an infant in the manger.

In the evenings at 6.30pm, we will range across the four gospels with a series **Meeting Jesus**. Here, we'll look over the shoulder of individuals and groups of people as they met Jesus in the gospels. And we'll discover the good news he brought them.
