## September - Christmas 2024

This autumn, in the mornings we start with 'Overflow with Hope', a series on Paul's letter to the Philippians. Here are tremendous insights into the hope we have in Christ and how we become hope-filled communities. This is followed by a five week series on the amazing Old Testament prophet Isaiah – and how his 'Servant Songs' point towards the coming of Jesus.

In the evenings, we begin with a series on Jesus' parables, followed by a series on the Old Testament book of Proverbs – pungent, provocative, perplexing, powerful sayings that will deepen our faith.
